

While the library building will remain closed to the public for the foreseeable future, we will resume contactless curbside service on [Monday, November 30, 2020](#).

Hold placement capabilities have been enabled. All hold requests may be placed from the library website, by email request or by phone.

Curbside pick up hours are as follows:

Monday to Friday 11:00 a.m. to 6 p.m.

Saturday 11:00 a.m. to 3 p.m.

Once you have been notified that your hold is available, come to the library and call our pickup number. A staff member will check out your books and bring them to your opened trunk.

Please remain in your vehicle to minimize contact with the staff. If you are walking up, call and we will place your items on the step for you to pick up.

Staff will not accept any returns or items handed to them. All returns must be placed in the drop box for quarantining.

We are looking forward to serving you once again and providing safe, efficient service.
