

Librarian's Message

Headingley Library is grateful to our supportive community, particularly the RM of Headingley and the Headingley Community Foundation for their generous financial contributions.

In 2022, we finally opened our doors to the public once again, with no restrictions. Our summer reading program was well attended and we continue to offer weekly story times for babies, toddlers and preschoolers.

In November, our children's librarian, Kathie MacIsaac, left the library to pursue her writing career. Our library clerk, Jessica Major, was promoted to children's librarian. We were also able to hire an extra library clerk to enable us to staff the children's department continuously.

We completed some renovations in 2022, adding new carpeting throughout the main floor, lots of plants for privacy in our seating and study area and new computers for our circulation desk. Thank you to Headingley Community Foundation for their generous grant to make this space so beautiful.

Adult book club was also reinstated in 2022, after 3 years of Covid. The book club is an enormous success and we currently have no room for more members!

Our provincial statistics returned to pre-Covid numbers in 2022 and we are very pleased and proud that 57% of Headingley residents currently have a library membership. Our goal is to further increase that number in 2023.

Our former children's librarian, Kathie MacIsaac, held a book launch for *If You Can Dream it, You Can Be It* at the library in November

Patrons enjoyed our "SAD" lamp during the winter months

Our booksale raised over \$500 between June and August
